

## C.V

### Personal data

**Name:** Hager Abd-Elhakim Mohamed nawar.

**Date Of Birth:** 4<sup>th</sup> February 1988

**Marital Status:** married

**Nationality:** Egyptian

**E-Mail:** hagar.nawar@iesr.asu.edu.eg.

### Job:

- Assistant Lecturer in Environmental Basic Science Department, Institute of Environmental Studies & Research, Ain Shams University from December 2014.
- Administrator in Environmental Basic Science Department, Institute of Environmental Studies & Research, Ain Shams University from August 2010 until December 2014.

### Educational Qualification:

- BSC in science, physics Department, Faculty of science, Ain Shams University (2008), third on specialization.
- MSC in Environmental Basic Science, Environmental Basic Science Department, Institute of Environmental Studies & Research, Ain Shams University (٢٠١٤).

#### MSC thesis title

"preparation and physical characterization of nano porous silicon to take advantage of it in some environmental applications".

- Registered Ph.D from July 2015 Until now.

### **Publications**

**YOUSSEF, G.M., EL- ZAIAT, S.Y., EL-MALKY, M., &. NAWAR, H.A. (2015).** PREPARATION AND PHYSICAL CHARACTERIZAYION OF POROUS SILICONLAYERS FOR SENSING APPLICATIONS. International Journal of Applied Physical and Bio-Chemistry Research, 2277- 4793, 5.

### **Field of interests**

- 1- Solar Energy.
- 2- Nano Technology.
- 3-solid state physics (semiconductors).

### **Computer skills**

- Office2010, 2013 (Word, Excel, PowerPoint)
- Adobe Pdf Photoshop
- SPSS
- Origin lab (physics)
- Excellent internet user and searcher.

### **Training sessions**

- Update strategic and operational plan for colleges 2014.
- The development of technologies and technical labs systems in research educational student laboratories and medical laboratories 2014.
- Courses specifications and report programs 2016.
- E- learning 2016
