

# CURRICULUM VITAE

HALA IBRAHIM AWADALLA

Assistant professor in Medical Science Department  
Institute of Environmental Studies and Research Ain Shams Univiristy.

Telephone Home : 002 0107894246

E-mail:Hala\_AwadAlla@Yahoo.com

Fax: 202 02 24053211

## **Research And/or Teaching Interests:**

Community, Family, and Preventive Medicine, and public Health, particularly child health and environmental health, Clinical Epidemiology, Health Care Administration, Occupational Health, and Health Education.

## **Biographical Data:**

Birth day : Nov.5,1961.  
Birth place : Cairo,Egypt.  
Sex : Female.  
Languages : English and Arabic.

## **Education:**

2000-2001 : M.D, Faculty of Medicine, EL-Minia, univiristy, Egypt.  
1989-1990 : Master Degree, Faculty of Medicine, EL-Minia, univiristy, Egypt.  
1984-1985 : MBBCH, Faculty of Medicine, Cairo Univiristy, Egypt.

## **Professional and Academic Experiences:**

2012 : Professor  
2007 :Assistant professor  
2002 : Lecturer in Medical Science Department, Institute of Environmental Studies and Research Ain Shams Univiristy.  
2001 : Lecturer of Community Medicine, EL-Minia Univiristy.  
1991 : Assistant lecturer (Teaching Assistant) Department of Community Preventive Medicine, EL-Minia, Univiristy, Egypt.

- 1989 : Demonstrator of Community Medicine  
EL-Minia Univiristy.
- 1987 : Assistant researcher, National Research Center.

### **Continuing Medical Education and Health Activities:**

- Attend a seminar entitled "The modern means of communication and the environmental and health effects - mobile phone model" and organized by the Institute through the Department of Educational Sciences and environmental media and on March 8, 2012.
- Attend a scientific conference of the Egyptian Society of society entitled "Together against accidents" on May 6, 2010.
- Attend a training course on "examination systems and evaluating students" in the period from March 23 to 25, 2010 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on "the use of technology in teaching" in the period from December 29 to 31, 2009 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on "communication skills" in the period from 15-17 August 2009 - Development Project faculty members and leaders - Ain Shams University
- Attend a scientific conference of the Egyptian Society of society entitled "Community Health shared responsibility" on June 20, 2009.
- Attend a training course on "international deployment" in the period from May 19 to 21, 2009 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on "standards of quality in the teaching process" in the period from August 26 to 28, 2008 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on "research projects local and global competitiveness" in the period from 29 to 31 July 2008 - Development Project faculty members and leaders - Ain Shams University
- Subscribe research and attend the National Conference Second Arab Environmental Studies and Research entitled "Environmental management and health for Arab Towns" in the period from May 3-5, 2008.
- Seminar on "development of the education system at the Institute of Environmental Studies and Research" an invitation to discuss .... The vision for the future "and held by the Institute of Environmental Studies and Research guesthouse at Ain Shams University approved February 24, 2008

- Subscribe research and attend the Arab National Congress first Environmental Studies and Research entitled "contemporary environmental issues and the future in the Arab region" in the period from February 24 to 26, 2007
- Subscribe research and attend a scientific conference set up by the Association of Agricultural Chemistry and Environmental Protection "a clean environment and safe food" in the period of 5-7 December 2006.
- Attend a training course on "preparation of written research and published internationally" in the period from November 18-20, 2006 - Development Project faculty members and leaders - Ain Shams University
- Attend the training course for credit hours in the period from 27 - 29 June 2006 - Project development and faculty leaders - Ain Shams University
- Attend the training course for lifelong learning in the period from 20 - 22 June 2006 - Project development and faculty leaders - Ain Shams University
- Attend the training course on the design decision in the period from 21 - 23 March 2006 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on "time management" in the period from February 25 to 28, 2006 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course entitled "sound management of laboratory hazardous waste - chemical and biological" National Center for Research in the period of 3-7 December 2005
- Attend the training course on modern trends in teaching from September 17 to 20, 2005 - Development Project faculty members and leaders - Ain Shams University
- Attend a training course on effective presentation skills in the period from 25 - 28 July 2005 - Development Project faculty members and leaders - Ain Shams University
- Seminar on "mobile networks " 19 April 2005.
- Attend a training course on methods of scientific research in the period of November 20-22, 2004 - Development Project faculty members and leaders - Ain Shams University
- Annual Conference of Postgraduate Childhood Studies, Ain Shams University ",2003.
- Annual Conference of Institute of Environmental Studies and Research, Ain Shams University ",2003.
- International Conference of Environmental Research Division, National Research Center, June 5-7, 2004.

- Attend a scientific conference of the Egyptian Society of the society held in Tanta, entitled "Integrated care for the child as part of health reform," 2002.
- Attend the Seventh National Conference on Environmental Studies and Research under the title "Towards a Better Environment: Present and Future" from 20-22 April 2002 - Institute of Environmental Studies and Research - Ain Shams University
- Attend a workshop on Training of trainers in research methodology in reproductive health organized by WHO and EFCS, 2002.
- Attend a scientific conference of the Egyptian Society of society entitled "Integrated care for the child in the context of health reform" on 20 June 2001
- Attend a scientific conference to Ain Shams University entitled " Food ...Health safe future ", 2001
- Annual Conference of Egyptian association of community medicine,2000.
- International Conference of Postgraduate Childhood Studies, Ain Shams University "Child...Environment", 2000.
- International conference of Schistosomiasis organized by SRP, 1993.
- International conference of Behavioral medicine, Ain Shams University, 1990.

### **Projects:**

- \* Monitoring expanded program of immunization organized by mother and child health project, 1990.
- \* Monitoring national campaigns for eradication of poliomyelitis sponsored by WHO, 1999.
- \* Training Program for rural volunteers about environment organized by UNICEF, 2001
- \* Epidemiology of school accidents sponsored by Ain Shams University,2001.
- \* Development of CVDs Data base by Meta analysis, Egypt sponsored by Ain Shams University & WHO (Regional office EMRO), September 2003.
- \* Review study of " Health effect of air pollution in greater Cairo" sponsored by Academy of Scientific Research & Technology, May 2005.

\* Egyptian Psychiatric Information in Children (EPIC), and its role in medical education, training and decision-making, sponsored by Higher Education Enhancement Project Fund [HEEPF], Web Site: [www.asu-epic.org](http://www.asu-epic.org), April 2006.

### **Associate Editor:**

- International Journal of Medicine and Medical Sciences
- Universal Journal of Education and General Studies

### **Publications:**
